The stipend amounts to EUR 5 146 per semester and is paid in two instalments per academic year at the beginning of each semester for a maximum of two years.

The scholarship includes free accommodation in a university residence for the duration of the Master programme, up to a maximum of EUR 650/month for a maximum of two years.

Tuition fees are not included in the scholarship.

The scholarship cannot be cumulated with any other type of grant financed by the Luxembourg government, or a similar scholarship funded by a private sponsor.

Application procedure

Applying for a scholarship is a two-step process.

1. In a first stage, applicants must apply to a Master's degree through the online admission portal on the following link: <https://inscription.uni.lu/Inscriptions/Public/Admission>

During this process, applicants submit all documents required by the master's programme (please consult the admission requirements indicated on the master's programme webpage). Applicants then receive a notification to pay the 50€ admission fee, which is a prerequisite to apply to the scholarship. Once the admission fees are paid, applicants receive an e-mail notification confirming their application is successfully submitted. Please note that some applicants may be exempt from paying the 50€ admission fee. In this case, they still receive an email confirmation that their application is successfully submitted.

In all cases, this e-mail notification will be requested when applying to the scholarship, as described hereafter.

2. Once the application to the master's degree is completed, applicants meeting the eligibility criteria mentioned above can apply to the scholarship following the link below.

https://service.uni.lu/public?id=sn_seve_contact&sys_id=16d4984c1bc02950466b20a1b24bcb74

Applicants must provide and upload the following documents to be considered for the scholarship:

- CV
- Motivation letter
- Two (2) letters of academic recommendation with contact details
- A copy of the email received by the University of Luxembourg confirming the successful submission of your master's application (If you have applied to more than one master's programme, please attach one confirmation email per master's programme application)

Applicants are selected based on:

- Academic results
- The originality of the personal statement and the motivation of their application.

Please note that due to the high volume of applications received, only selected applicants will be notified, at the latest by mid-June 2023.
